ABOUT US

BorderEx Impex Solutions is an independent freight forwarder established to support inter-modal transport of cargo worldwide. We pride ourselves on building long standing relationships with our customers through excellent and personalized customer service.

We are gradually expanding and working towards a worldwide network of agents and are committed in providing our clients with the highest standards of value added services. With our experienced team, you can be rest assured that your cargo is in the right hands.

FREIGHT FORWARDING

We offer a flexible FCL delivery product that's customized to fit into your supply chain however it best suits your business needs.

Tailor-made solutions are BorderEx, especially when it comes to ocean freight delivery. BorderEx provides fully integrated transport for your full containers. Whether you need a logistics partner for one section of your supply chain or multimodal services, we've got it covered.

With a robust, global cargo shipper portfolio, we'll select the carrier that best suits your freight forwarding needs. From there, our experts will manage your shipment from beginning to end.

TRANSPORT & CUSTOM CLEARANCE

Our services includes import custom clearance i.e. HSN classification, rate of duty, preparation of bills of entry, processing the custom clearance, assessment, customs examination and obtaining arranging dispatch, delivery to the destination.

Export custom clearance i.e. preparation of shipping bill, classification of drawback, DEPB or DEEC receipt of goods, marking, labeling, measurement, weightment, processing customs clearance, customs examination and obtaining customs out charge and handling over international carriers.

We provide single window services covering all aspects of integrated project.

LESS-THAN-CONTAINER LOAD (LCL)

Our global LCL network makes managing your ocean freight easier than ever. Our LCL service is an inherent component of our ocean freight product and service portfolio which adds real value to our customers' business. We provide extensive LCL services with expertise that is supported by a global LCL Hub and Gateway network enhanced by a seamless connection to our land services.

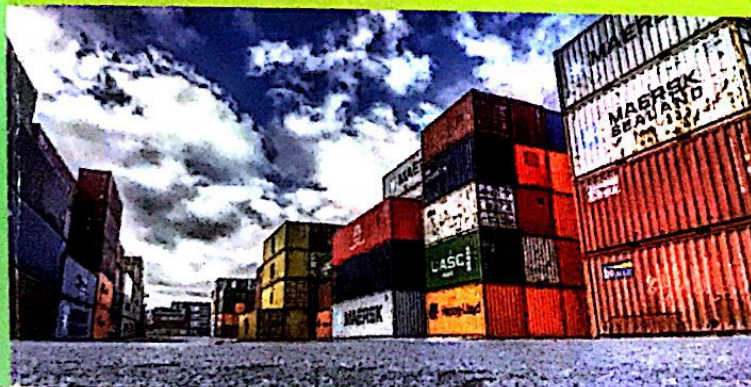

This enables us to meet the highest standards for comprehensive door-to-door solutions assuring even the smallest consignments reach their destinations in a reliable, flexible and efficient manner.

GENERAL AIR-FREIGHT

When you're looking for an air freight solution, you want one that fits your individual cargo and supply chain needs.

With BorderEx, you'll get to choose from our freight shipping solutions that will fit the speed and reliability you need for your shipment.
